**SilverChef.**

## How it works.

Rent the equipment you need from SilverChef for a term of 12 months, while still having the option to buy. You get flexible options during and at the end of the 12-month term. Tax and accounting treatments may apply - talk to a professional advisor to see how you can benefit.<sup>1</sup>

## Your flexible options.

### At any time during your 12 month agreement

#### Upgrade

Outgrown your equipment?

Simply return your item and upgrade to something that will better suit your business<sup>2</sup>

#### Purchase

Everything's perfect?

Buy your equipment and get a 60% net rental rebate on your payments up to 12 months.

### At the end of your 12 month agreement

#### Return

Changed or closed your business?

Return your equipment and make no further rental payments.<sup>3</sup>

#### Continue renting

Still not ready to commit?

Keep on renting and you will still have the option to return, upgrade or purchase at a later date.

#### Work towards owning

Want to own your equipment but spread your payments?

Move to our Easy Own<sup>®</sup> agreement, which offers discounted payments over a two- or three-year lease. At the end of the term, you own your equipment.

## How to get started.

### 1. Choose your equipment

We partner with quality equipment dealers. If you haven't chosen a dealer yet, we can find one suited to your needs.

### 2. Apply for Rent-Try-Buy

It's easy - apply online, over the phone or at your preferred SilverChef equipment dealer.

### 3. Receive your equipment

Your weekly rental payments start when your equipment is delivered.
